**TOGETHER WE SERVE
GOD.
ALL THE REST IS
COMMENTARY.**

Our purpose of being is formed by Torah. The beginning and end of Torah is lovingkindness. We view all human beings with infinite dignity, created in the image of God. Through worship we encounter God. Living in a world in need of repair demands personal response - *mitzvot*. We inspire and encourage each other to do one more *mitzvah* today than we did yesterday, or one *mitzvah* more deeply.

We are committed to lifelong learning and to nurturing an inclusive, caring community. We enrich our lives by sharing the joys of life and burdens of sorrow. We remember and honor those who have come before us and are mindful of our responsibility to transmit this heritage to new generations.

This is who we are: we strengthen the State of Israel; we deepen our bond to the People Israel; we serve God's ends.
