Shalom,

I would like to introduce myself as your Women's Network President of our Synagogue. For those of you that do not know me, I am the lady with the big hat that sits with her family in the very last row of the sanctuary. I have been involved in Sisterhood for many years. I have even been president of our International Northeast Region. I decided to take the presidency again because I love Sisterhood and everything we represent.

Not only do we support the Jewish Theological Seminary, the spiritual and academic center of the Conservative Movement worldwide, but we are a vital part of our Synagogue. We present educational and stimulating programs that are relevant to Jewish women. We convey the religious teachings and values of Judaism. We encourage the performance of mitzvot and Jewish observance in the home and provide gifts and Israeli products to our members and the community. Each year scholarships are awarded by the Women's Network to the youth in our Congregation for College and we maintain and upgrade the kitchen facility. Throughout the years, Sisterhood has funded major renovations to the Synagogue.

Our members span a wide range of interests, ages, and backgrounds, but there is unity within our diversity. As Women's Network members, we all have a common bond to keep our Judaism strong for our children and grandchildren and generations to come.

Women's Network welcomes your financial support, as well as your ideas and talents. We have an exciting year planned and would love to have you join with us! We invite you to become part of the women's voices of our Synagogue.

Please join us by returning your check for dues today. We will make sure that you are notified of our programs and events.

B'Shalom,

Linda Steinhorn - President Women's Network of Temple Beth Tzedek
